AGA Technical Office

This is to certify that the particular **COMPONENT** specifically described herein and supplied to The Australian Gas Association (hereafter called the Association) by the Certificate Holder named above has been assessed by the Association and found to comply with the requirements of the Association's Full Certification Approval Scheme.

This Certificate is issued on the express conditions that:

- (i) The Certificate Holder undertakes to comply with the Rules Governing The Australian Gas Association's Full Certification Approval Scheme (hereafter called the Rules Governing);
- (ii) This Certificate remains the property of the Association; and
- (iii) The Association reserves the right to cancel this Certificate in accordance with the Rules Governing, and in such an event the Certificate Holder undertakes to surrender the Certificate to the Association upon request.

Certification Date: 15 August 1997
